Subject: Virtual meeting with Verde

Lee Foresgren was the AA for OW in the last administration. He's representing Verde now, who's looking to get in the Class VI space. They reached out to Charles for a meeting. Charles said this can be virtual. What days/times are good for you in the next couple of weeks? Looking at an hour long meeting.

For me:

Aug 15, Mon 1:30 to 4:00 pm
Aug 16, Tues 1:30 to 4:00 pm
Aug 17, Wed 9 to 11:30 am
Aug 18, Thurs 1:30 to 4:00 pm
Aug 19, Fri 1:30 to 3:00 pm

Aug 22, Mon 2-4:00 pm
Aug 23, Tues 1-4:00 pm
Aug 24, Wed 9-11:00 am; 2 to 4 pm
Aug 25, Thurs 2-4:00 pm
Aug 26, Fri 9-11 am; 1 to 3:00 pm

+++++

From Lee Foresgren:

Verde is in the process of evaluating several sights in Region 6 as Carbon Capture locations and may well be submitting UIC Class VI permit applications in the next few months. We were hoping to come by and introduce ourselves and to discuss the regions plans and procedures for reviewing Class VI permits.

If this works for you all could you provide us with some possible dates and times and we will come to Dallas to meet with you all.

If you have any questions please don't hesitate to email me or call me on my cell at 202-262-7535.

Thanks!
Jim
